CenterWell Pharmacy serves as the preferred durable medical equipment (DME) vendor for these products, and both the **meter and test strips are available at a \$0 cost share to Humana-covered MAPD patients** who do not have a deductible or have met their deductible for the year.

\* This applies to Humana-covered MAPD patients only. It does not apply to Humana-covered prescription drug plan (PDP-only) patients because glucose meters and test strips are covered under Medicare Part B. Deductibles may apply. Humana-covered patients can receive the meter and test strips through other DME providers or pharmacies, but standard Medicare Part B coinsurance will apply.
